I also utilize this information to monitor and improve services and to ensure that your use of the Sites is in compliance with my Terms of Use. Most of our services do not require any form of registration, allowing you to visit the Sites without telling us who you are. However, some services, such as email opt-ins may require you to provide us with Personal Data. In such a case, you may choose to withhold any Personal Data requested by us, but it may not be possible for you to gain access to certain parts of the site or content. We require only the information that is reasonably required to enter into a contract with you.
